Dracula

A Vampire Play in Three Acts

Dramatized by Hamilton Deane and John L. Balderston

From the Novel by Bram Stoker

Presented by special arrangement with Samuel French, Inc.

Lucy Seward, whose father is the doctor in charge of an English sanatorium, has been attacked by some mysterious illness. Dr. Van Helsing, a specialist, believes that the girl is the victim of a vampire, a sort of ghost that goes about at night sucking blood from its victims. The vampire is at last found to be a certain Count Dracula, whose ghost is at last laid to rest in a striking and novel manner. The play is intended for all who love thrills in the theater, and is appropriate for all groups.
